

Accelerated NLP Business Practitioner

Discover the differences that make all the difference to your business...

Course Overview

pitchblue is delighted to offer a cutting edge accelerated NLP Business Practitioner programme. With its experiential approach, NLP shows people how to be more effective & positively shape their own success. You will discover how these principles can be practically and effectively applied to any situation - whether it be related to business or personal life.

Why this Course?

With this course, you become fully qualified as an NLP Practitioner in just 7 days. It's taught by one of the UK's top trainers with an extensive background in business consultancy and management development who's recently guested on BBC Radio 2's Drivetime show. We guarantee that anyone who attends will, in only a week, be able to make permanent improvements in performance.

Who is it Aimed at?

It's aimed at anyone who wants to confidently adapt their thinking to ultimately enhance their life, business or organisation. In simple terms, it helps you think differently - promoting work/life balance, the key to long term business success! On successful completion, you're awarded the pitchblue NLP Business Practitioner Certificate - fully endorsed by the Association of Intergrative Psychology.

What will I Learn?

During the training you'll learn how to understand the basis of behaviour and how you can effectively use NLP applications in a range of business and personal settings including management, negotiation, sales, organisational change or personal growth - right through to business and, in many cases, coaching as well.

Why is this Program so Good ?

pitchblue - one of the leaders in NLP based business training, delivers a pragmatic, interesting and entertaining insight into the study of excellence. We've already helped many businesses improve their work practices (Royal Bank of Scotland, St Andrews University and G1 Group for example) and we now offer you the chance to attain new levels of accomplishment, realise potential and achieve success!
